Office of Fraternity and Sorority Affairs
Hazing Policy

Philosophy

The Greek community believes that true brotherhood and sisterhood is nurtured in an atmosphere of social and moral responsibility, respect for duly constituted authority, and commitment to the objectives of higher education. Furthermore, students engaging in hazing activities may subject themselves to criminal penalties. Therefore, a fraternity or sorority program which includes hazing is contrary and detrimental to the purpose of the University, the education and personal development of its students, and thus, has no place within the University and Greek community.

Implementation

1. The student officers, primarily the president and new member educator, are responsible for informing members (pledges, new members, associate members, affiliates, guests) of this policy. The policy will be read by the president at the first meeting of the organization each semester and by the new member educator at the first new member/associate member meeting of the semester.
2. All chapters must file the Hazing Compliance Form by the date designated on the Greek Calendar.
3. Any allegations that a chapter has engaged in hazing activities will result in an investigation of the matter by the Office of Fraternity and Sorority Affairs. All new member/associate member activities will be suspended pending the outcome of the investigation.
4. In all cases of alleged violations of this policy, alumni and national/international headquarters of the organization will be notified.
5. Individuals involved in alleged acts of hazing and/or individual officers who knew of or should have known of these activities may also face charges pursuant to the University Code of Student Conduct.

Definition

Hazing is defined as any action or situation which includes any mental or physical requirement, request or obligation placed upon any person (pledge, new member, associate member, member, affiliate, guest) which could cause discomfort, pain, fright, disgrace, injury or which is personally degrading or which violates any federal, state, local statute or University policy. Any activity described in this definition upon which the initiation, or admission into, or affiliation with, or continued membership in an organization is directly or indirectly conditional, shall be presumed to be "forced" activity.

1. No person shall recklessly participate in the hazing of another.
2. No student or advisor shall knowingly permit the hazing of another.
3. No student or advisor shall fail to report hazing.
